ROSWELL

Don't you LOVE the beautiful lights in downtown Roswell during the holidays?

It can't happen without support from generous people like YOU! We are excited to announce that the Holiday Lighting Project is growing. This year's area will stretch from 1st Street to 6th street to include the block north of the Chaves County Courthouse where the Bank of America Building and Big D's Downtown Dive are located. With the expansion and a need to replace some damaged lights and cords, this year's project will be a big undertaking.

Will YOU help us raise the \$14,800 for the installation and takedown cost? Will YOU help us raise enough to cover the cost of the replacement items? We are hoping that your generosity can be counted on, for this beautiful addition to our downtown area for the holidays.

Each donation of \$500 or more will have a sign placed on one of the beautifully wrapped trees to acknowledge and advertise your generosity and your support for this project. We are asking that you consider making a tax deductible donation of any amount to make YOUR downtown amazing!
